SMOKED MEATS - SCRATCH KITCHEN - WHISKEY BAR

## THE URBAN STORY

**We opened our doors in 2013 with a clear vision - Make People Happy.**

Our goal is to serve great food, in a great space, with great hospitality. We care about every aspect of our restaurant from the food, to the drink, to our community. We strive to maintain that focus in everything we do. We're devoted to our craft and take pride in the meals we cook, whiskey we pour, and cocktails we create. These are simple pleasures that bring people together and it's important to us that we do them **Exceptionally Well**. We have a passion for things done right and embrace the challenge of always doing what we say we're going to do. We've been blessed to be recognized over the years for our specialties like mac 'n' cheese, fried chicken, and ribs. Many of which have been featured in local and national media.

Whether you're a local or a visiting guest, we're honored to have you at our table. Thank you for joining us and appreciating our craft.

**WELCOME TO URBAN!**
